### CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Effective Date: December 2019 Void After: December 2024

Product: Hubless Cast Iron Pipe Couplings File No. 3198

Issued To: Ideal Clamp Products, Inc.

8100 Tridon Dr Smyrna, TN 37167

Identification: Manufacturer's name or trademark and nominal pipe size. The gasket shall be

marked with the pipe size, manufacturers identifying mark, and ASTM C564.

The band shall be marked with the pipe size. The product shall bear the UPC®

certification mark.

Characteristics: A neoprene and stainless steel coupling for use in joining hubless cast iron

soil and fittings in drainage, waste and vent systems. The coupling consists

of a neoprene collar which slips over pipe or fitting ends. Over this

collar, a reinforcing 300 series stainless steel band is placed and the pipe assembly is retained with stainless steel bolts torqued to 60 inch pounds.

To be installed in accordance with IAPMO listed pipe and fittings, the

manufacturer's instructions and the requirements of the latest edition of the

Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the

laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.

Void After: December 2024

Product: Hubless Cast Iron Pipe Couplings File No. 3198
